

Directions: Ewha Womans University station to QNS

Please get off the subway line No. 2 (green line) at Ewha Womans University station (이대, *Idae*). Take the Exit 3, and proceed straight ahead for ca. 5 min to the main gate of Ewha Womans University:

*Subway exit 3
towards Ewha Womans University campus*

*Main gate
of Ewha Womans University campus*

Once you reach the main gate of Ewha Womans University campus, please board the white shuttle bus (leaving every 10 min, with a break in operation from 12 pm to 1 pm) at its starting location:

From the campus main gate to the starting point of Ewha shuttle

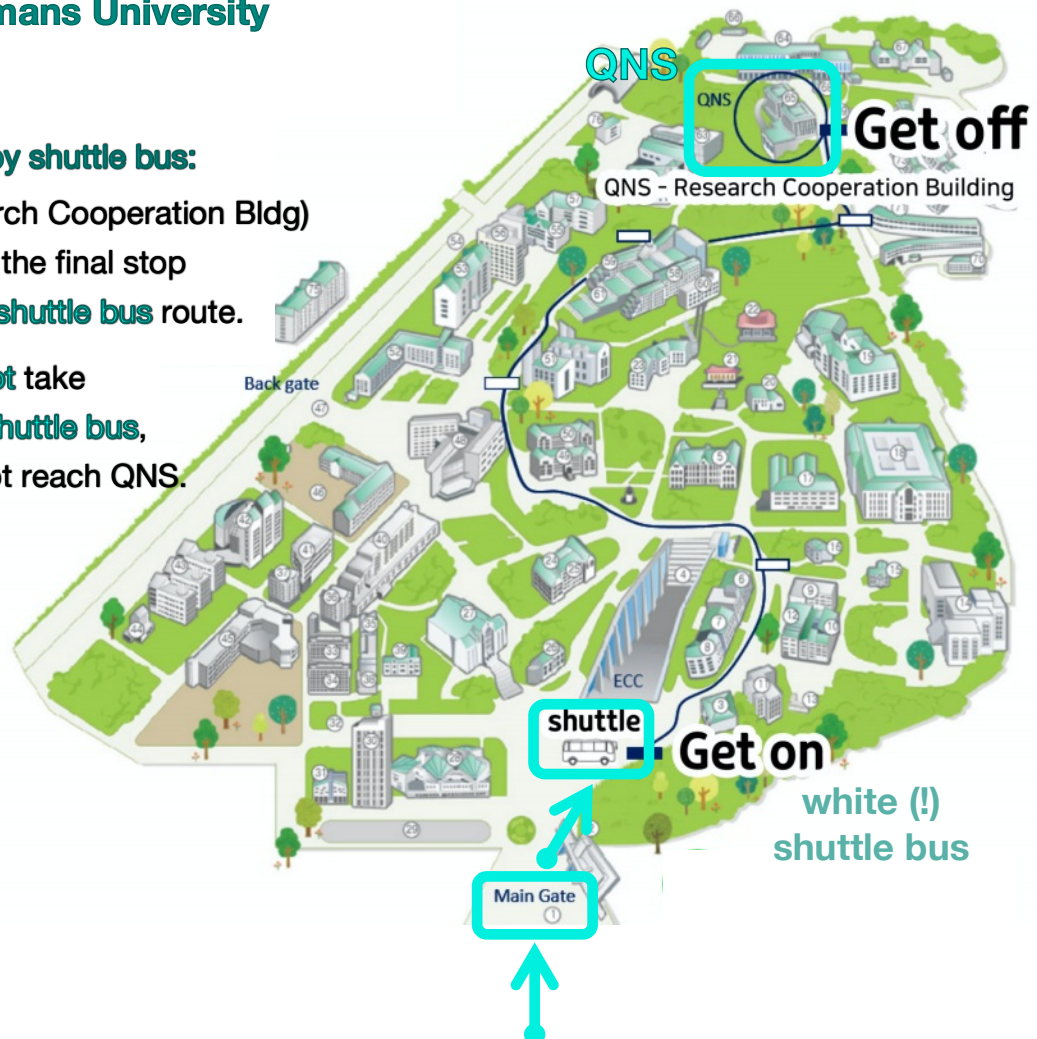

Ewha white shuttle bus

Ewha Womans University campus

→ To QNS by shuttle bus:

QNS (Research Cooperation Bldg) is located at the final stop of the **white shuttle bus** route.

Please do **not** take the **orange shuttle bus**, as it does not reach QNS.

from subway line No. 2 station Ewha Womans University (이대, *Idae*): exit 3

Ewha Womans University campus: directions to QNS by white shuttle bus

For QNS, please get off the white shuttle bus (after ca. 8 min) at its final stop, i.e. Research Cooperation Building (연구협력관):

QNS at Ewha Womans University – Research Cooperation Building

QNS is located in the left side of the building, while the main building entrance is in its center (leading directly to the 2nd floor of the building). Please note that the access to QNS premises is restricted, hence we strongly encourage scheduling an appointment with your scientific Host or the Manager of QNS Visitors Program.
